

ADAM UGAS

Fullstack Web Developer

ABOUT ME

People find me to be an upbeat, self-motivated, dedicated, outgoing, team player with excellent communication skills. For the past ten years I have worked in schools and with youth, and organizing large community events. Working with people is best job for me. I have a track record of community engagement and I created ways people to come to gather. I designed a Unity Gala event for the community to help raise funds for youth program that became successful. This year attendance was 400. Maintaining a consistent of 5th Annual this year. I can bring experience and willingness to learn in to your company.
